Please use the form on the next page to provide details about your book's materials, structure, binding, production, and any other details which can be included in the Exhibit Catalog description.

The three winning entries become the property of MBS. All entries must travel for one year in the Traveling Exhibit. MBS prefers to place all entries in our archives at the Lilly Library. However, if you wish us to return your non-winning entry after the year of travel, please enclose a check for \$5.00* to cover your book's return (if your entry is judged one of the three "Distinguished Books", we will return your check).

*MBS is not responsible for entries that may be lost in the mail. We do not insure the returned books due to cost. You may arrange and pay for special postal insurance based on the stated value of your book(s) by contacting the competition administrator, Neale M Albert.

Complete the both pages please!
